

OFFICE MEMORANDUM

DATE: April 13, 1999

TO: Region Engineers
Region Associate Delivery Engineers
Region Construction Engineers
TSC Managers
Resident/Project Engineers

FROM: C. Thomas Maki
Chief Operations Officer

Gary D. Taylor
Chief Engineer/Deputy Director
Bureau of Highway Technical Services

SUBJECT: Bureau of Highway Instructional Memorandum 1999-6
Final Inspection/Acceptance and Certification Report - Form 1120

Currently the Final Inspection/Acceptance and Certification Report (Form 1120) requires signatures by the region materials engineer and the region engineer or representative. The TSC manager or the region operations (or field) engineer may sign for the region materials engineer.

The Federal Highway Administration concurs with this change.

Chief Operations Officer

Chief Engineer/Deputy Director
Bureau of Highway Technical Services
